

THE SECRET SQUAD

A Division of A-1 Investigative Agency, Inc.

The Secret Squad utilizes state of the art debugging equipment to detect and locate eavesdropping devices in all manner of locations from corporate offices to boardrooms to residential properties using the latest advanced professional counter electronic surveillance equipment to test all telephone, fax and modem lines and conduct radio and physical sweeps.

We specialize in the following:

- Locate illicit listening devices
- Developing effective counter surveillance strategies.
- Identifying areas most vulnerable to electronic espionage.
- Developing plans to reduce electronic intrusion.

Secrets are things we give to others to keep for us.
